TASTING NOTES:

Estate vineyards combined with classic winemaking techniques to maximize characteristics of the terroir and displays a true balance of flavors from fruits. Bright acidity creating a unique blend of Napa & Alexander Valley Chardonnay. The fresh fruit dominates the nose with aromas of apple, pear, pineapple, and vanilla mixed with floral notes and a kiss of oak. Rich and full bodied with hints of citrus and bright flavors of pear, candied apple, tropical fruits, and peaches. Beautiful mouthfeel with balanced acidity, slight minerality and a long finish.
